Format: Paperback Verified Purchase. I purchased this book when I went to Snow Leopard from Tiger and it is a great book for the beginner and someone upgrading from an earlier version of Mac. Great illustrations and step by step on how it is done. I would recommend this book for the beginner and casual user that is upgrading. Which Macs can have Snow Leopard installed, and which can only have Lion installed based on Machine ID (also known as Model Identifier)? You can find out which gray installer disc came with Macs that can install Snow Leopard newer than March 15, 2010 by reading: <http://support.apple.com/kb/ht1159>. Machine ID is in Apple menu -> About This Mac -> More info (on 10.7 and later the About Window has System Information instead of More info to access the System Profiler) under the hardware section. 1.
