Three statesmen. Gokhale, Gandhi, and Nehru. by B. R. Nanda. "An omnibus edition comprising 'Gokhale : the Indian moderates and the British Raj', 'Mahatma Gandhi : a biography' [and] 'Jawaharlal Nehru : rebel and statesman'." Born on this day in 1897, Subhas Chandra Bose continues to be a symbol of assertive nationalism and is often contrasted with Mahatma Gandhi and Pandit Jawaharlal Nehru to paint a picture that shows the three great personalities in the light of discord. However, beyond politics Subhas Chandra Bose admired both Mahatma Gandhi and Pandit Nehru, and had very affectionate relation with them. In August 1942, when Mahatma Gandhi launched the Quit India movement, Subhas Chandra Bose was in Berlin. It is recorded that reading this news in Berlin, Subhas Chandra Bose told his close associate CN Nambiar Gokhale lead by Gandhi and the British visited each and every Indian community all over South Africa. The Senator WP Schriener was also in tow, as ordered by Rothschild. All were given to understand without an iota of doubt that the helm of freedom fighting would be handed over from Gokhale to Gandhi as soon as he went back to India. His ashes too were rejected by Gandhi and Nehru. Finally Bollywood actor Vinod Khanna , Narendra Modi , and others etc pulled levers, and this great patriot's ashes was officially handed over to the Chief Minister of Gujarat State on August 22, 2003, by the Ville de Genève and the Swiss government, 55 years after Indian Independence. The Story of Gandhi. Nehru on Gandhi. And then Gandhi came, He did not descend from the top: he seemed to emerge from the millions of India, speaking their language and incessantly drawing attention to them and their appalling condition. Get off the backs of these peasants and workers, he told us, all you who live by their exploitation; get rid of the system that produces this poverty and misery.  
Gandhi's three-year stay in England was eventful. Those were days of great intellectual activity, and there was tolerance for every school of thought. The country as a whole was a living university.  
On arrival in London, Gandhi heard that Gokhale had gone to Paris for reasons of health. Communications were cut off between London and Paris because of the war. Gandhi was disappointed.

The Nehru-Gandhi Family is an Indian political family that has occupied a prominent place in the politics of India. The involvement of the family has traditionally revolved around the Indian National Congress, as various members have traditionally led the party. Three members of the family: Jawaharlal Nehru, Indira Gandhi, and Rajiv Gandhi, have served as the Prime Minister of India, while several others have been members of the parliament. Gandhi adopted Nehru as his political heir, to run the congress party after him and to become the first prime minister of India. Gandhi, when he came to India in 1914(?), slowly took over the political and spirit...
