The Book of Treasure Spirits

By David Rankine

Avalonia, 2009. Soft cover. Condition: New. No Jacket. 1st Edition. THE BOOK OF TREASURE SPIRITS
 Conjurations of Goetic spirits, old gods, demons and fairies are all part of a rich heritage of the magical search for treasure trove. During the Middle Ages and Renaissance the British Monarchy gave out licenses to people seeking treasure in an effort to control such practices, and this is one reason why so many grimoires are full of conjurations and charms to help the magician find treasure. Published here for the first time, from a long-ignored mid-seventeenth century manuscript in the British Library (Sloane MS 3824), is the conjuration said to have been performed at the request of King Edward IV, with other rites to reveal treasure, to have treasure brought from the sea, and to cause thieves to bring back stolen goods. Conjurations to call any type of spirit are also included, recorded by the noted alchemist and collector Elias Ashmole, as is an extract on conjuration practices from the Heptameron, transcribed into English for practical use by a working group of magicians, before its first English publication by Robert Turner in 1655. [NOTES.--According to the "Book of the Bee," the creation of the firmament enabled God to allot a dwelling place to the angels, where also the souls of the righteous could be received after the General Resurrection. The great abyss of water which God created on the First Day was divided by Him into three parts; one part He left on the earth for the use of man and beast, and to form rivers and seas; of the second part He made the firmament, and the third part the place above the firmament. After the Resurrection all these parts will return to their original state. The word Darp@t@'n i Hanazuki: Book of Treasures: The Official Guide is a book written by Brandon T. David Rankine is an occult scholar and author of more than 20 books on the subject of magic, the western esoteric traditions, folklore and mythology. Sloane 3428 appears to be a compiled book of Spirits, seals, talismans & rites aimed at helping the Sorcerer find buried & sunken treasures. The invocations & rituals are very much like the rituals & spells found in the other grimoires where they have a very ecclesiastical sound to them with their orations calling upon YHVH in Hebrew names. These orations serve to bully the Spirits named to come forth & deliver locations of said treasures to the rites operator. David Rankine.
