By Stephen Cosgrove

Heritage Builders, United States, 2013. Paperback. Book Condition: New. Robin James (illustrator). Reprint. 211 x 137 mm. Language: English . Brand New Book. In a warm, gentle corner of the island of Serendipity lived a big bunch of bunnies. The bunnies were all the same. They had cute little noses, fluffy puffed tails, and two perky ears that stood straight up. All of the rabbits, that is, except Leo the Lop. What made Leo different was that his ears hung straight down. The other bunnies began to notice that Leo was different, which seemed very funny, indeed. Whenever Leo hopped by the other bunnies would grab their sides and giggle. Leo didnt see anything funny about the way he looked. As far as Leo could tell, he was just as normal as normal could be. Finally he asked, How come you always laugh at me?, Its your ears, they laughed. They go down, not up. You arent normal . Not being normal made Leo feel very sad. With the help of crotchety old possum, all of the rabbits learn that normal is just whoever and whatever you are.

Since 1924 (when the studio was formed by the merger of Samuel Goldwyn's studio with Marcus Loew's Metro Pictures and Louis B. Arguably the two most recognizable MGM lions today are Tanner, the third MGM lion, and the current, unnamed fifth lion. Tanner was used on all 3-hue Technicolor films and MGM LEO3 hasnt uploaded any loops yet. The free loops, samples and sounds listed here have been kindly uploaded by other users. Pearson PLC, Penguin Group, Price Stern Sloan, A Serendipity Book. Year This is Leo, he's from one of my all-time favourite children's books called Leo the Lop! I did the basic work in Illustrator, and the detail work in Photoshop. The leaves are a bit plain, but I had a hard time figuring out a decent way to add detail to them. In the end, I really don't mind the contrast of the plain leaves with the other more detailed parts. The story is about a rabbit named Leo, who is the only lop-eared rabbit in the forest. The other rabbits make fun of him, and he tries to make his ears stand up so he can fit in. Leo Galante is the Consigliere of the Vinci Crime Family and a character in Mafia II and Mafia III.
