Harold Pinter (10 October 1930 – 24 December 2008) is sometimes associated with the generation of British playwrights who emerged in the 1950s and are known as the Angry Young Men. His first plays, with their dingy, working-class settings and surface naturalism, seemed to link Pinter with this group, but only the surface of his plays is naturalistic; most of a Pinter play takes place beneath the surface. Pinter's first play, *The Room*, contained a number of features that were to become his hallmarks. Harold Pinter is known for his magnificent use of language, thus his style of writing was named after him "Pinteresque". His use of colloquial language, numerous clichés, unpolished grammar and illogical syntax create dialogues that reflect day-to-day speech. Harold Pinter's style is characterised by the use of: pauses. two silences. Pinter's plays usually take place on one-room stage, onto which a handful of characters enter and interact with each other. This Harold Pinter plays list includes promotional photos when available, as well as information about co-writers and Harold Pinter characters. This list of plays by Harold Pinter is listed alphabetically and includes art of the play's posters when available. List features items like *Moonlight*, *No Man's Land*. What plays did Harold Pinter write? All these, one-acts, musicals, or full-length plays are by Harold Pinter and can help you decide, "What are the best Harold Pinter plays?"

Harold Pinter was one of the most influential, provocative and poetic dramatists of his generation, awarded the Nobel Prize for Literature in 2005. Over the course of a 50 year career, his prolific prose spanned stage and screen, and spawned the adjective "Pinteresque", suggesting a cryptically mysterious style imbued with hidden menace. It was described by Pinter's biographer, Michael Billington as a "Freudian play about sons filled with subconscious Oedipal desires". A list of the best Harold Pinter plays as chosen by the team at StageMilk. Harold Pinter is a Nobel Prize winning playwright and considered one of the great playwrights of modern times. The English playwright was voted number seven on StageMilk's list of Best Playwrights and he is a must read. Well known for his simple, quick firing dialogue, he is a unique and interesting playwright. This is a subjective list, but I think a great starting point for any actor looking to read more of Pinter's work!
