#### Description:

In *Birth of an Age*, book two of the Christ Clone Trilogy, the promised catastrophes in the biblical book of Revelation are poured out. Asteroids are on a crash course toward earth, locust-like insects inflict terrible pain on mankind, and a generalized madness infects the world's population, spawning horrific violence. In the midst of these turbulent events, Christopher announces he is the [Messiah], and promises that a new era is about to be ushered in. --Cindy Crosby --This text refers to an out of print or unavailable edition of this title.

**Review** \*Starred Review\* Astoundingly intelligent ... inventive ... dizzyingly well-described. -- *Kirkus Reviews*

Undeniably riveting ... daring ... wonderfully creepy ... Readers will be enthralled by the author's science-fortified vision of the Apocalypse. -- *Publishers Weekly*

Birth of an Age, Book Two of The Christ Clone Trilogy Copyright © 1997 by James Beau Seigneur All Rights Reserved. For Gerilyne, Faith, and Abigail who sacrificed so much to allow this trilogy to become a reality; But most of all for Shiloh, who sacrificed far more. May it serve you well. This novel is a work of historic and prophetic fiction. He has four years of experience in military intelligence, including two and a half years with the National Security Agency. "Are these the shadows of things that will be, or are they the shadows of things that may be?" Charles Dickens, A Christmas Carol. "For false Christs and false prophets will appear and perform great signs and miracles to deceive even the elect if that were possible." Birth of an Age is the second third of the Christ Clone Trilogy, by James BeauSeigneur. This book primarily chronicles the Trumpet Judgements as foretold in the Book of Revelation. Other biblical prophecies from the Book of Revelation and the Book of Daniel are depicted. As with the first and third book in this trilogy, many footnotes are used from various sources. These sources include not only the bible, but also sources that were used as the author performed research and analysis to ensure The Christ Clone Trilogy - Book Two - Birth of an Age (Revised & Expanded) Available in ebook from Amazon and other sellers. Here's the Amazon link. Available in hardcover & paperback in a few weeks. Cloned from live cells of Jesus Christ found on the Shroud of Turin, Christopher Goodman was born into the most turbulent time in human history. Already two nuclear holocausts have shaken the planet -- the first destroying much of the Russian Republic, and the second killing nearly a billion people in China, India, and Pakistan. Unknown to the world's inhabitants, an even greater threat is waiting just beyond Earth's horizon -- a threat that may annihilate the entire human race. "Finally, out of the ghetto of the evangelical subculture, comes a refreshing, well thought out, and methodically researched look at the end of the age. And not since, C.S. Lewis have we seen such creativity and imagination in its presentation. Bravo! Book Overview. Cloned from the ancient cells of Jesus Christ, Christopher Goodman is forced to sit back and watch the destruction of Earth in order to fulfill his destiny." This second installment of The Christ Clone Trilogy, "Birth of an Age," by James BeauSeigneur, begins with an already changing world on the brink of a New Age. And to put it succinctly, this book-- the story as well as the presentation-- is, in a word, brilliant. BeauSeigneur takes you down his path with such precision that it makes the incredible seem altogether credible and believable, and considering the subject matter, it is quite a feat, indeed. Birth of an Age is the second third of the Christ Clone Trilogy, by James BeauSeigneur. This book primarily chronicles the Trumpet Judgements as foretold in the Book of Revelation. Other biblical prophecies from the Book of Revelation and the Book of Daniel are depicted. As with the first and third book in this trilogy, many footnotes are used from various sources. These sources include not only the bible, but also sources that were used as the author performed research and analysis to ensure Start reading The Christ Clone Trilogy - Book Two on your Kindle in under a minute. Don't have a Kindle? Compra tu Kindle aquÃ, or download a FREE Kindle Reading App. One of the scientists decides to clone the skin cells, and unwittingly gives birth to the Anti-Christ. Definitely an original idea -- pretty sure there is no other book on the whole of planet Earth that suggests the cloning of Christ is possible. While I give the author many points for creativity, some of the things that occur in this story are pretty bizarre, even for an end-of-times novel. For that reason, I sometimes found myself distracted and unable to focus on the plot or characters. Birth of an Age: Book Two of the Christ Clone Trilogy. ISBN. 0786259736 (ISBN13: 9780786259731). The Christ Clone Trilogy's central characters-- Decker Hawthorne, Christopher Goodman and Robert Milner--take a back seat for much of the book as the narrative shifts to a more global scale. One could argue that, for this installment, the central character is the human species as a whole, subjected to horrors that make the content of the previous book--which climaxed with a nuclear war--seem tame. Minus the event knowHad H.P. Lovecraft been a Christian, this is the kind of book he would have written.
