

## Teaching Spanish Grammar with Pictures: How to Use William Bull's Visual Grammar of Spanish

By M. Stanley Whitley, Patricia V. Lunn

Georgetown University Press, United States, 2010. DVD-ROM. Book Condition: New. 190 x 135 mm. Language: Spanish . Brand New Book. Teaching Spanish Grammar with Pictures is a valuable tool for teachers looking for a way to show students how grammar produces meaning. It makes available in a digital format the full set of 406 posters designed by William Bull to illustrate grammatical contrasts in Spanish. These bold illustrations clarify difficult-to-understand points of grammar such as ser vs. estar, subjunctive vs. indicative, and preterite vs. imperfect. Originally published in 1961, the posters remain remarkably useful for explaining Spanish grammar in visual form. Bull believed that linguistics should be used in the service of language learning, and the success of The Visual Grammar of Spanish was the result of its grounding in linguistic analysis. This reissue of Bull's classic posters on DVD-ROM provides versatile JPEG and PDF images of all the posters to easily incorporate into Power Point presentations and worksheets. It includes an instructor's manual on the disk that presents background on the materials, explains the concepts behind the images, and offers suggestions for ways to use them in the classroom. Language labs that purchase a copy of Teaching...

### Reviews

*This pdf will never be straightforward to get going on studying but quite enjoyable to read through. This is certainly for all those who state there was not a really worth studying. You are going to like the way the blogger publish this publication.*

-- **Mrs. Adah Sawayn**

*It in a single of my favorite publication. I have read and so i am sure that i will likely to study again once again down the road. I am delighted to let you know that this is basically the greatest publication we have read inside my own life and might be he best pdf for possibly.*

Spanish Grammar Flipbooks. A few years ago, I went to a differentiation conference, and the facilitator showed us teachers how to make a flipbook to take notes and jot down ideas at the conference. Well, for me, it was the flipbook itself that made the biggest impact on me that day. I use flipbooks in my Spanish classes as a place for students to organize their grammar notes. I like this because students can easily keep all their notes on possession, for example, together in one place on one page, and I don't have to

Spanish Grammar Ap Spanish Spanish Teacher Spanish Class Spanish Lessons Teaching Spanish Learn Spanish Dual Language Classroom Middle School Spanish. Learn Spanish grammar with our free helpful lessons and fun exercises at StudySpanish.com. Get started on your way to speaking Spanish conversationally! Frankly, when most people think of grammar they don't get very excited. But grammar can teach you something in minutes that might take days to figure out by immersion alone. Grammar is your friend! We believe in grammar, and we include it in our method. But let's be honest. Studying Spanish grammar will not make you fluent. To reach a conversational level you need a complete course like the one provided by our app, Camino. These days, it is popular in some circles to claim that there is no need to learn grammar. The thinking goes something like this: I didn't learn grammar as a child, and ye
