McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide. Product details. Item Weight : 1 pounds. I recently read "The McGraw-Hill Handbook of English Grammar and Usage." I wanted to address some of my problem areas, such as who vs. whom and lie vs. lay. This book is comprehensive and provides you with actual tests, techniques, and thorough explanations that you can then apply to choose the correct answers, while extending your grammatical vocabulary at the same time. Sure, other grammar books may say the same thing, but they may not provide the same detail or clarity. Now I know: "Lie" is intransitive and "lay" is transitive. Precision in language can be the deciding factor when it comes to getting a job or winning a promotion. The McGraw-Hill Handbook of English Grammar and Usage gives you bottom-line definitions, tips, and simple rules that summarize the essentials you need to know. This second edition includes a chapter dedicated to grammar and its usage in digital communication, including texting, e-mail, social media, and new technology, so you can communicate correctly in any format.
