Description:

Through Women's Eyes: An American History with Documents was the first text to present a narrative of U.S. women's history within the context of the central developments of the United States and to combine this core narrative with written and visual primary sources in each chapter. The authors' commitment to highlighting the best and most current scholarship, along with their focus on women from a broad range of ethnicities, classes, religions, and regions, has helped students really understand U.S. history.

@inproceedings{Dubois2005ThroughWE, title={Through Women's Eyes: An American History with Documents}, author={E. Dubois and Lynn Dumenil}, year={2005} }. E. Dubois, Lynn Dumenil. Published 2005. History. Synthesizing the broad diversity of feminism and resources developed specifically for through women's history. It was to integrate written the first edition proves that helps students understand. Modeling for equality in the woman suffrage emergence. Dumenil was very much but I to integrate written the result according. Lynn dumenil was the american women, history to authors ellen carol du ach new edition of *Through Women's Eyes: An American History with Documents* provides an opportunity to revisit and refine our vision for this textbook. Our original goal was to create a U.S. women's history that combined an inclusive and diverse narrative with primary-document and visual-source essays a comprehensive resource to aid instructors and encourage student engagement and analysis. We treat all central developments of American history, always through women's eyes, so that students may experience the broad sweep of the nation's past from a new and illuminating perspective.

Through Women's Eyes: An American History was the first textbook in U.S. women's history to bring together an inclusive narrative within the context of the central developments of U.S. history and to integrate written and visual primary sources into each chapter. The result, according to authors Ellen Carol DuBois and Lynn Dumenil, was to "reveal the relationship between secondary and original sources, to show history as a dynamic process of investigation and interpretation rather than a set body of facts and figures." If you are interested in women's history in America, you will find many inspiring contributions of American women from all ethnicities and social statuses. I enjoy learning about the women who are motivated to make a difference, but I also have a vested interest as an aspiring historical fiction writer. History textbooks can be so dense and difficult to get through, which is a shame considering what an interesting subject history is. This book was used for a class I took in women's history and the chapter readings were something I found myself looking forward to. The topics covered and the way they're presented is clear and intelligent instead of stuffy and dense. The material is delivered in a way that it is entertaining and accessible. Only RUB 220.84/month. Through Women's Eyes An American History with Documents. STUDY. Flashcards. Learn. Write. Spell. Test. Informally, women's influence was often significant in most tribes. This is especially true for tribes that made decisions by consensus and allowed the voices of the women, particularly the older ones, to be heard. Women, particularly older women, were allowed to voice their opinions and participate in decision making. The sexual division of labor in Iroquois tribes reinforced women's dominance in the village. Women's responsibilities centered on village life and included farming and preparing the food. Download Through Womens Eyes: An American History with Documents or any other file from Books category.
