## The Invisibles: A Tale of the Eunuchs of India

By Jaffrey, Zia

Vintage, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In this superb work of investigative reporting, Zia Jaffrey pursues the riddle of India's most elusive subculture, the cross-dressing and often-castrated figures known as "hijras" whose very name means neither male nor female. Are the hijras lucky or dangerous? Are they a nurturing community of outcasts or a criminal network that kidnaps and mutilates recruits? Do they number in the thousands or in the millions? As she talks with policemen, a unionizer of eunuchs, and with the hijras themselves, Jaffrey unravels veils of rumor and deception to locate the nature of our sexual and social thresholds, and the people who dwell on them. Deeply resonant, uniquely insightful, *The Invisibles* is an enthralling work. "A magnificent journey. Jaffrey writes about this fascinating and delicate subject with human understanding and warmth."--Ryszard Kapuscinski "Sensitively written, eloquent, and compassionate."--New York Times Book Review.
