Description:

The sixth edition of *Women's Lives: Multicultural Perspectives* relies on the analyses, principles, and style of earlier editions, but with substantial changes to take account of recent scholarship. *Women's Lives* offers an introduction to women's studies and examines the lives of U.S. women within a global context as well as across race, class, nationality, sexuality, culture, age, and disability.

Engendered Lives: A New Psychology of Women's. Experience, Basic Books, New York. Kaschak, E. (1976).
First-generation women face challenges related to navigating across South Asian and mainstream cultural values that may significantly vary between their parental homes and their lives outside of the home. Despite these challenges and related psychological distress, the mental health needs of South Asian women across generations tend to be overlooked.
