Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.

-- Prof. Jedediah Kuhic DVM

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).

-- Ernest Bergnaum

“Splendors of Egypt” is an eleven-day tour that begins in Cairo. Explore the Pyramids at Giza, the Egyptian Museum and the ancient capital of Memphis before flying to Luxor. You will visit the Valley of the Kings and the spectacular Temples on the East & West Bank. Cruise along the Nile River in style and visit some amazing historical sites such as those at Edfu and Kom Ombo. Ancient Egypt was a civilization which originated along the middle and lower course of the Nile River, and which reached three eras of Pharaonic splendor over 30 centuries. Ancient Egypt. Old Kingdom (2800 – 2200 B.C.): The first pharaohs created a powerful State, with its capital in Memphis, which governed all of Egypt and achieved a long period of stability. The great pyramids of Giza were constructed in this period. Middle Kingdom (2050 – 1780 B.C.): The capital was moved to Thebes. Ancient Egypt, centered in North Africa in the Nile Delta, is arguably the most powerful and influential civilizations of of the ancient world. Its political structure, language, religious traditions, and philosophy dominated the Bronze Age and continued during its long twilight in the Iron Age, until it was conquered upstart Mediterranean powers. The name “Egypt” itself is a multi-lingual journey that tells of its influence on nearby cultures. “Egypt” comes from the Greek word Aegyptos, the Greek pronunciation of the ancient Egyptian name “Hwt-Ka-Ptah” (“Mansion of the Spirit of Ptah”), the This is a wonderful book of ancient Egypt monuments. Cover all major sites from Giza pyramids to Abu simbel with photographs and diagram drawings. It contains 2 map folds one is Tutankhamen's tomb and the other is map of Egypt, both the drawings in detail. Author Alberto siliotti also gave information on major ancient explorers who excavated the tombs and their drawings. Author also informed about Tutankhamen's tomb and Howard carter who first excavated the tomb. The photographs of all major tombs along with artifacts are good.
