Sailing Directions is a 47-volume American navigation publication published by the Defense Mapping Agency Hydrographic/Topographic Center. "Sailing Directions" consists of 37 Enroute volumes and 10 Planning Guides. Planning Guides describe general features of ocean basins; Enroutes describe features of coastlines, ports, and harbors. "Sailing Directions" are updated when new data requires extensive revision of an existing text. These data are obtained from several sources, including pilots and "Sailing Directions" from other countries. One book comprises the "Sailing Directions, covering the harbors, coasts, and waters of the world, provide information that cannot be shown graphically on nautical charts and is not readily available elsewhere. Sailing Directions (Planning Guide) are intended to assist mariners in planning ocean passages and to eliminate duplication by consolidating useful information about all the countries adjacent to a particular ocean basin in one volume. Planning Guide publications are compiled and structured in the alphabetical order of countries contained within the region covered by each publication. Bearings.
