I have a dozen fancy Nancy books though and all of them are fantastic and so sweet. The writer is so clever and fun with her ideas and point of view of Nancy. I'll definitely be buying more Nancy books, just this one was off the mark for me. Read more. 301 people found this helpful. I am new to the Fancy Nancy series but I am totally hooked. In this book, Nancy and her neighbor/friend Bree have a doll tea party and wind up fighting over the tea set. The tea set breaks, and both girls are upset. Nancy's parents encourage her to apologize, and all is right in the end. It's a great story about friendship, sharing, and taking responsibility. Like all Fancy Nancy books, it subtly teaches vocabulary - genius! Fancy Nancy is ready for the spotlight! Fancy Nancy and her best friend, Bree, couldn't be more excited about their upcoming dance show. After all, it's all about mermaids - and who knows how to be a fancy, glamorous mermaid better than Fancy Nancy herself? Fancy Nancy thinks that everything in the sky is simply stellar, from the sun and the moon to the stars and their constellations (that's a fancy word for the shapes that stars make!). So nothing could make her happier than a special sleepover under the stars with her dad and her little sister, JoJo. Together Nancy and JoJo wish on stars, moon bathe, and even eat astronaut ice cream! Fancy Nancy was a great story of two friends living across from one another. The character's names are Nancy and Bree. Nancy was invited over to Bree's house for a surprise tea party. Bree has this really neat tea pot that was passed down from her aunt. Bree pours the tea and puts the pot down. Nancy reaches for the tea pot and Bree pushes her hand away. I'm so happy that the Fancy Nancy series are covering some of the most necessary girly-girl topics like tea parties and mermaids. In this book Nancy and Bree have to work out a little tiff after an accident leads to a broken tea pot cover. As usual the "fancy" words are superb and the way the hurt feelings are handled between the two girls is realistic and sets a good example for a resolution. flag Like see review.
