

A Manual of Acupuncture

DEADMAN Peter & AL-KHAFAJI Mazin

New edition incorporates thumb indentations for the 14 main channels plus extra points and a dust jacket.

Since its publication in 1998 this comprehensive text has rapidly become the standard acupuncture point book for students and practitioners throughout the English-speaking world. Detailed exposition of the names, locations, indications and actions of every point, it is characterised by hundreds of beautiful and anatomically exacting illustrations (one for every point), lengthy commentaries on the points, numerous point combinations drawn from classical texts and comprehensive indexes.

Features:

- > Introductory chapters on the channels & collaterals, point categories, point selection methods, point location & needling
- > Illustrations & text descriptions of all primary, extraordinary, divergent, luo-connecting & sinew channels
- > The points of the fourteen channels & the extra points with their English name, Chinese name & Chinese character
- > The most exacting & accurate anatomical point locations yet published in any English text with practical point location notes to assist in easy location
- > 500 illustrations, with a single dedicated illustration for every point
- > Point actions to aid the understanding & memorisation of each point's principal qualities
- > Extensive lists of point indications taken from numerous classical & modern source texts & grouped for ease of reference
- > Substantial commentaries explaining in detail the principal historical & modern applications of the point, & drawing on classical & modern texts & the extensive clinical experience of the authors
- > Numerous classical prescriptions showing how the points have been used & combined through nearly two millennia of practice

LEVEL: 20. Tung's Acupuncture Tung's Acupuncture A Study Of Tung's Acupuncture Tung's Acupuncture Therapeutics & Points Therapeutics & Points. 600 Pages • 2011 • 16.08 MB • 11,887 Downloads • New! Tung's Acupuncture Tung's Acupuncture Therapeutics & Points Therapeutics & Points A Study Of Tung Segmental Anatomy : The Key to Mastering Acupuncture A Manual of Acupuncture, published by Journal of Chinese Medicine Publications, is just such a book. Painstakingly researched over many years by Peter Deadman, editor-in-chief of The Journal of Chinese Medicine, and colleagues Mazin Al-Khafaji and Kevin Baker, this book has become the primary reference in the West for the study of acupuncture points and channels. ...more. Most acupuncturists simply add the Tung points to their already memorized TCM Acupuncture point prescriptions, and as a result, make a mess out of their acupuncture. They do not have a simple and elegant rationale for using the system. In my teaching of Master Tung's Acupuncture, I always choose points that are painless, easily accessible, and have powerful immediate results. The ultimate acupoints index for acupuncturists/acupressure/shiatsu practitioners etc., and much more! We hope you will enjoy the following features (please note, listed below are the full "Pro" membership features. Downloading the app gives you a free "Lite" account with full access to the Lung channel, and samples of other material. You also have the option of a 7 day free trial of 'Pro' membership access): • Every channel point and extraordinary point from A Manual of Acupuncture textbook. • English and Chinese point names, point category, location, location notes, detailed illust
