

The Ordeal of Integration: Progress and Resentment in America's Racial Crisis

By Orlando Patterson

COUNTERPOINT, United States, 1998. Paperback. Book Condition: New. Reprint. 224 x 160 mm. Language: English . Brand New Book ***** Print on Demand *****.For many years Orlando Patterson has been a major contributor to the public discussion of race in America. In this eagerly anticipated new volume, the author of the National Book Award--winner *Freedom in the Making of Western Culture* presents a comprehensive exploration of contemporary interethnic relations. Americans are in the midst of a rejuvenated conversation about race. How we talk about race--or fail to--is one of the central themes of this book, which is certain to spark lively debate among intellectuals and policy advocates. Unflinching in his analysis, Patterson chides professional race advocates, the mainstream media, and his fellow academics for homogenizing the 33 million Americans of African ancestry into a single group beset by crises and intractable dilemmas. His willingness to challenge the received wisdom of conservatives, liberals, and genetic determinists alike affords us the opportunity to critically examine our own preconceived notions and prejudices. An experienced policy advisor, Patterson brings to the national discussion a lifetime of study of slavery, freedom, and ethnic inequality worldwide. His practical recommendations emphasize solutions to problems too often described as unsolvable. For...

The Ordeal Of Integration: Progress And Resentment In America's "Racial" Crisis Paperback October 14, 1998. by Orlando Patterson (Author).

Professor's Patterson's "The Ordeal of Integration" is the best review and analysis available of progress in racial relations in the United States since the end of World War II. He recognizes the extraordinary progress that has been made in a remarkably short period of time, while also identifying the many things remaining to be accomplished and the various barriers to making additional progress. Any one concerned with the status of racial relations in the USA today should read this book. Read more.

One person found this helpful. *The Ordeal of Integration*. Published by Thriftbooks.com User , 15 years ago. Previous readers and reviewers seem stuck on the idea of Patterson's liberalism or conservatism or "the side he has taken".

intellectual crisis of Liberal African American advocacy and also conservatives. In these essays he refers to philosophers like Kant, Epictecus. He is critical of both groups. He also debunks the Bell curve and talks about Affirmative action which he believes should continue for now but phased out gradually. My grouses with the book are his solutions in the conclusion do not seem far.

He also presents a well-reasoned summary of some of the reasons for the inte-racial friction still remaining in America, as well as a potential template for further change.

Orlando Patterson, *The Ordeal of Integration: Progress and Resentment in America's "Racial" Crisis*. Washington: Civitas/Counterpoint, 1997. Pp. xi & 231. \$24.00. Bill Ong Hing, *To Be an American: Cultural Pluralism and the Rhetoric of Assimilation*. New York: New York University Press, 1997. Pp. xv+205. The principal justification the board of education provided for this policy is that it serves the goal of promoting racial diversity. The Third Circuit Court ruled in 1996 that this policy violated Title VII in the case of a laid-off white teacher, Sharon Taxman. The Supreme Court in June 1997 agreed to hear the appeal. The settlement involved a payment of \$433,500 in back pay, damages, and legal fees to Taxman. Integration in a diverse society expands our networks of cooperation and provides a stepping stone to a cosmopolitan identity, which offers the prospect of rewarding relations with people across the globe (Anderson 2010, 2). Integration in a diverse society expands our networks of cooperation and provides a stepping stone to a cosmopolitan identity, which offers the prospect of rewarding relations with people across the globe (Anderson 2010, 2). Date uploaded. Sep 03, 2017. 1997. The Ordeal of Integration: Progress and Resentment in America's "Racial" Crisis. Washington, DC: Civitas/Counterpoint, 1997. The book examines how African Americans view the progress of the race over time and how any progress is clouded by the perception of bias in race relations. Mr. Patterson also discussed how liberals and conservatives view and think about race relations. Following his prepared remarks, Mr. Patterson answered questions from the audience. Mr. Patterson talked about his new book, [The Ordeal of Integration: Progress and Resentment in America's Racial Crisis]. The book examines the moral and intellectual crisis of liberal Afro-American advocacy. Mr. Patterson talked about his new book, [The Ordeal of Integration: Progress and Resentment in America's Racial Crisis]. Download Citation | The Ordeal of Integration: Progress and Resentment in America's "Racial" Crisis | * Introduction * The Paradoxes of Integration * The Moral and Intellectual Crisis of Liberal Afro-American Advocacy * The Moral Crisis of | Find, read and cite all the research you need on ResearchGate. In studies of racial segregation, a positive association between minority representation and segregation has been interpreted as support for the minority group preferences hypothesis (Patterson 1997;Thernstrom and Thernstrom 1997) and the racial-threat hypothesis (Blalock 1967). Thus, I found no evidence that preferences and perceived threat operate in the same way for same-sex partners as they do for minority racial groups.
