Description:

Colin G. Calloway is the John Kimball Jr. 1943 Professor of History and Professor of Native American Studies at Dartmouth College. He served for two years as associate director of and editor at the D'Arcy McNickle Center for the History of the American Indian at the Newberry Library in Chicago and taught for seven years at the University of Wyoming. Professor Calloway has written many books on Native American history, including *The Scratch of a Pen: 1763 and The Transformation of North America* (2006); *One Vast Winter Count: The Native American West Before Lewis and Clark* (2003); and two books for the Bedford Series in History and Culture: *Our Hearts Fell to the Ground: Plains Indians Views of How the West Was Lost* (1996), and *The World Turned Upside Down: Indian Voices from Early America* (1994).

Expertly authored by Colin G. Calloway, *First Peoples* has been praised for its inclusion of Native American sources and Calloway's concerted effort to weave Native perspectives throughout the narrative. Emphasizing the importance of primary sources, each chapter includes a document project and picture essay organized around important themes in the chapter. This distinctive approach continues to make *First Peoples* the bestselling and most highly acclaimed text for the American Indian history survey. Download from free file storage. In short, American history must include American Indians. First Peoples provides both an overview of Native American history and an opportunity for students to tackle historical evidence firsthand. The narrative and the documents together tell a more complete and more richly textured story of Indian peoples and their place in United States history than is usually presented in history books. Consequently, this fifth edition follows the same approach and pursues the same goals as the previous editions. Great book to give basic history of the American Indian peoples. I used this book in a class during college and have kept it and since used it elsewhere. Great book and a very interesting read! Read more. 8 people found this helpful. Tatiana Gearhart. 5.0 out of 5 starsCollege class. Very informative. Brings more truths to light about atrocities in Native American history. Read more. kendric whisler. 4.0 out of 5 starsFour Stars. 11 April 2018 - Published on Amazon.com. Verified Purchase. Great! Yet the history of America is in many ways the history of the American Indians, for they gave the Europeans the skills and knowledge needed to survive in the new world. These are the stories of the mightiest Indian nations. The Iroquois of upstate New York were a unique confederation of six Indian nations. Their great law of peace attracted the attention of American colonists who were forging their own new country. The Seminoles of Florida who gathered together free Indians and black slaves fleeing the northern lands. Together they built a patchwork nation of peoples mirroring the melting pot of America. The Navajo whose powerful spiritual link to their land inspired a courageous defense of their territory in the great south-west.
