This book is more of a tween novel, something that might today be a teens novel. The setting for Red Caps and Lillies is the French Revolution. Marie Josephine, a 13-year-old girl, is the protagonist. The book also features Flambeau, Marie Josephine's greyhound, faithful dog. Contributor. Project Gutenberg. The setting for Red Caps and Lilies is the French Revolution. Marie Josephine, a 13-year-old girl, is the protagonist. I wonder if the other Adams novels also feature females in prominent roles--that would have made them unusual in the time they were written. The book also features Flambeau, Marie Josephine's greyhound, and I'm a sucker for any book with a greyhound! Marie Josephine is from an aristocratic family, and as the horrors of the Revolution grow closer, she is sent to the family's country estate, with her sisters and cousins, a governess, and a maid.
