We love classic Hollywood film noir. We love the attitude, the silvery images, the betrayal, the sweeping music, the fatalism, the flawed human characters, the hard-boiled detective, the femme fatale, the mysterious reasons for treason, the doomed romance, the murder and betrayal, the twists, the dark lighting and all else we forgot. Below 7 awesome movie stills!

Stories to remind us that in a cold, empty landscape, 'Hard Boiled Love' may be the only warmth there is. Hard-boiled stories make for uncomfortable reading, but you know somehow there's the possibility of hope at the end (no puns are allowed in noir). Noir is black in the way certain death is black. This anthology of contemporary stories weaves a pattern of intrigue and mystery where the living and the dead occupy the same space. Crooked lawyers, crooked cops, transsexuals, minor wives, killers and ghosts take you along for a tour that unlocks the secret doors and invites you to enter into the space where Thais and foreigners work, live, play and die together. In the event I fell in love on my first trip to Bangkok (Thailand was second in Walter's list of favorite places, after Ladakh). My true love's family found me a lawyer who got me permanent residence: it was a lot easier in those days.
