This book, formerly known as *Women's Voices, Feminist Visions*, has been revised and renamed to represent the shift from an essentialized notion of "woman" to a broader understanding of gender as socially constructed categories that shape our lives. It also better reflects the renaming of academic programs nationwide from "Women's Studies" to "Women and Gender Studies" or just "Gender Studies."

NEW TO THIS EDITION Fifty-eight new readings, bringing in young feminist writers and contemporary topics such as disability and social justice, trans*masculinities, transgender issues, Cardi B, queer Muslim women, immigration policies, human trafficking, #SayHerName, sexual assault on campus, military femininities, white supremacist women, activism, and much more.
