One famous modern-day building is the White House in America where President Donald Trump lives. Each aspect and characteristic of Greek architecture was designed to complement and relate to one another. There are three systems of architecture, known as orders – the Doric, the Ionic and the Corinthian. Some Australian buildings inspired by Greek architecture include –

**HAVE YOUR SAY:** Are you surprised so much of Ancient Greek mythology still exists today? How does it show up in your life? No one-word answers. Use full sentences to explain your thinking. People say that youth is the most wonderful period in a person's life. Others are sure that young people face too many problems nowadays. Many people are convinced that youth and happiness are synonyms. But an Arabian proverb says: "Youth is a kind of illness cured only by the passing years". I have always wondered why many people believe that youth is the most wonderful period in a person's life.

Socially, many young people suffer from such problems as poverty, unemployment, low incomes, or breakdown of the family. So alcohol and drugs may become a kind of psychological or emotional escape for young people. However, it would be wrong to say that youth is the most awful period in a person's life. It is the time of parties, dates and entertainment. Nowadays young people are more likely to be successful and powerful than the previous years, precisely, I mean, they become more active in the social life and gain the range of abilities in certain areas. Undoubtedly, this difference is due to the demands of the modern life such as development of technology, education and industry.

Undoubtedly, this difference is due to the demands of the modern life such as development of technology, education and industry. For example, today great opportunities lie before the young allow them to qualify as a master in their job, to follow innovations with the help of computer and get necessary information from the Internet.
