Description:

About the Author Roger Priddy left school at 16 with just one qualification—in art. He went to Berkshire College of Art and Design and trained as an illustrator. His first job in children's books was working with the publisher Peter Usborne, at Usborne Publishing, and then he worked with Peter Kindersley at Dorling Kindersley, where he spent 16 years. Priddy became Creative Director of DK's Children's Division and was Managing Director of the children's mass market publisher Funfax when it was acquired by DK. In 2000, he created Priddy Books with John Sargent at St Martin's Press to create innovative and imaginative titles for children, from first books for babies through early reference titles for older children. Since then, over 30 million copies of Roger's 200 plus books have sold worldwide, with five of his books—*My Big Animal*, *My Big Truck*, *Happy Baby Words*, *Happy Baby Colors* and *Puppy and Friends*—each selling over one million copies. He is also the author of *Big Board First 100 Words*; *Big Board Books Colors, ABC, Numbers*; and *Bright Baby Noisy Monsters*. His

creativity has been recognized with numerous industry awards. Priddy lives in London with his wife Zena and their four children. --This text refers to an out of print or unavailable edition of this title.

If your child loves truck this is the book! What sets it apart from other truck books (Which we have many of in my house) Is that each page has an interactive question, like : "What truck would take your trash away?" , "What truck has a big black bucket?" or "How would you climb into the tractor?" It helps kids with an interest in trucks learn more about their purposes and features.Â My son LOVES this book! Big pictures and really good size book - even for a 2 year old! The only thing I don't like are some of the names given - it seems as though they may have been grasping for straws to try and fill pages there is a "water truck" in the book but it is displayed as a rectangular truck, or box truck, that carries water; like the Culligan man.
