Tóm tắt: "A classic developmental skills text for intermediate to advanced students of English, Understanding and Using English Grammar is a comprehensive reference grammar as well as a stimulating and teachable classroom text. While keeping the same basic approach and material as in earlier editions, the Fourth Edition more fully develops communicative and interactive language-learning activities. Some of the new features are: Innovative warm-up exercises that precede the grammar charts and introduce points to be taught Structure-based listening exercises ranging from casual speech to academic content Academic readings that highlight the targeted grammar structures Greatly expanded speaking practice with extensive pair, group and class work Corpus-informed syllabus that reflects the discourse patterns of spoken and written English Audio CDs and listening script in the back of the Student Book. The program components include the Student Book (Full Edition and Volume A and Volume B), Workbook (Full Edition and Volume A and Volume B), Chartbook, Teacher's Guide, and Test Bank. Betty Azar is a teacher and the author of several English grammar workbooks that are a staple in the ESL teaching industry. Books by Betty Schramper Azar. More... The principal aims of [Understanding and Using English Grammar](#) are to present clear, cogent information about English grammar and usage, to provide extensive and varied practice that encourages growth in all areas of language use, and to be interesting, useful, and fun for student and teacher alike. The approach is eclectic, with the text seeking to balance form-focused language-learning activities with abundant opportunities for engaged and purposeful communicative interaction. Most students find it helpful to have special time set aside in their English curriculum to focus on grammar. Group and pair work help to produce a comfortable learning environment. In teacher-centered activities, students may sometimes feel shy and inhibited or may experience stress. [opensource](#). [Language](#). [English](#). [Understanding and Using English Grammar](#). This ELT Workbook is a place for students to explore and practice English grammar on their own. It is a place where they can test and fine-tune their understandings of English structures and improve their abilities to use English meaningfully and correctly. It is keyed to the explanatory grammar charts found in Understanding and Using English Grammar, Third Edition, a classroom teaching text for students of English as a second or foreign language, as well as in the accompanying Chartbook, a reference grammar with no exercises. The Workbook is designed not only for students who desire the oppor
