In 1968, Mick Jagger's then-girlfriend Marianne Faithfull passed along a little book she thought he might enjoy. Jagger ended up writing "Sympathy for the Devil" after reading the novel, which begins when Satan, disguised as a professor, walks up and introduces himself to a pair of men discussing Jesus. That book was Mikhail Bulgakov's masterpiece, "The Master and Margarita." 2) Franz Ferdinand - Love and Destroy. She was inspired by Pontius Pilate's extremely loyal dog in The Master and Margarita, who waited centuries for his master to come to heaven. That "Banga" is a hymn to one's pets is clear from the opening words of the song. Here Smith references another Bulgakov dog without naming him: Sharik from the novella, "Heart of a Dog." Mick Jagger is one of the most influential artists in the history of rock and roll. This famous idol of rock and roll is not only a musician but also a songwriter, film producer, and actor. Known for his showmanship, Jagger is one of the greatest names in the world of music. He is also a founding member of the popular band "The Rolling Stones." While Richards went on to form his own group with the guitarist, Brian Jones, Jagger went on to complete his education at the "London School of Economics," where he dreamt of becoming a politician or a journalist. In 1962, the band "The Rolling Stones" was formed, which comprised of Jagger as the lead vocalist and on the harmonica, Charlie Watts on the drums, Brian Jones on the guitar and keyboard, Bill Wyman on bass, and Keith Richards on guitar. Sir Michael Philip Jagger (born 26 July 1943) is an English singer, songwriter, actor, and film producer who has gained worldwide fame as the lead singer and one of the founder members of the Rolling Stones. Jagger's career has spanned over five decades, and he has been described as "one of the most popular and influential frontmen in the history of rock & roll". His distinctive voice and energetic live performances, along with Keith Richards' guitar style, have been the trademark of the Rolling Mick Jagger. 3.1M likes.
