Las Vegas is Nevada's economic centre and largest city. Its metropolitan area, with more than twice the number of people outside the city limits as within them, contains roughly three-fourths of the state's population. Area 83 square miles (215 square km). Pop. Las Vegas is a place of million-lightbulb signs and fantastic architecture, of readily visible wealth and carefully hidden poverty. It is a place of superlatives, both positive and negative.

Adapting to Las Vegas -- Las Vegas is, for the most part, a very casual city. Although there are a few restaurants that have a restrictive dress code, most of them—and all of the showrooms, casinos, and attractions—are pretty much come as you are. Some people still choose to dress up for their night on the town, resulting in a strange dichotomy where you might see a couple in a suit and evening gown sitting next to a couple in shorts and sandals at a show or in a nice restaurant.

Our experts personally appraise each choice in terms of their overall enthusiasm for it. Our star system does not denote hotel amenities but it does denote the level of our approval. Frommer's Las Vegas 2009 is a helpful guide for people looking for entertainment beyond the casinos. I was particularly interested in the info on the Nuclear Testing Museum and Red Rock Canyon hiking, both near LV. The restaurant section was wonderful for helping me decide what and where to eat with so many choices.
