JOHN LENNON, alone in his bedroom in the Dakota, knelt before the television as if it were an altar. His hand stretched, fingers spread, to touch the screen as...  
But Seaman became an acknowledged source for Albert Goldman's controversial biography, "The Lives of John Lennon" the first to portray Lennon as an eccentric and drug-addled recluse. Another attempt by Seaman to publish a book apparently based on the diaries collapsed in 1989. Harcourt Brace backed out when Yoko threatened legal action to halt publication. Seaman's book, "The Last Days of John Lennon" finally was published in 1991 but by then the emphasis was as much on himself as on Lennon. And so the diaries never saw the light of day. Stated First (1st) Edition, Second (2nd) Printing (number line to 2) of the illustrated life of John Lennon, adapted and suitable for children. Pictorial boards show little to no shelf wear, while the dust jacket shows light shelf wear and is now protected by a removable, non-damaging, archival mylar cover.

Martin's Big Words -2002 Caldecott Honor Book -2002 Coretta Scott King Honor Book -Child Magazine Best Book of 2001 -New York Times Buy a cheap copy of John's Secret Dreams: The Life of John book by Doreen Rappaport. John Lennon's influence on music and culture is legendary. From a young age he dreamed of fame and fortune. For children whose parents steeped them in the Beatles as mine did, this book of swimming, beautiful collages about the life of John Lennon is a wonderful treat. The story is essentially a highlight of the good and the not-so-good parts of John's life and the many poignant, moving, and splendidly beautiful things he had to say. It deals with the sadness of John's abandonment by his mother ("Mother, you had me, I never had you"), the jubilation of creating a rock'n'roll phenomenon that shook the world and his wild sense of the absurd (Goo Goo Ga'Joob!).
