Description:

Make Sociology new with McGraw-Hill's **Connect Sociology** and the 10th edition of **Sociology: A Brief Introduction**. New to Connect is **Investigate Sociology**, a brand-new tool that develops students' sociological imaginations by placing them in provocative scenarios where they must analyze various sources and determine a solution. Connect also comes with **LearnSmart**, an adaptive questioning tool proven to increase content comprehension and student results, as well as fun interactivities like **In their Shoes** and **Applying the Perspectives** that teach sociology's three theoretical frameworks. Finally, make sure students come prepared to class by assigning our many **e-book activities**. With McGraw-Hill's digital tools, focus on what you do best—teaching.

Unique to this program, Sociology: A Brief Introduction encourages students to take sociology with them in their everyday lives, just as Rick keeps a small

notebook of daily sociological events. In *Sociology* brief, instructors get the most trusted content in manageable form. This, coupled with powerful digital learning tools, makes *Sociology* brief an ideal choice for your introductory course.

Introduction to Sociology. type of bounded territory and who share a common way of life. This common way of life shared by a group of people is termed as culture (Stockard, 1997). 1.1.2. Brief Historical Overview. Sociology and other social sciences emerged from a common tradition of reflection of social phenomena; interest in the nature of human social behavior and society has probably always existed; however, most people in most past societies saw their culture as a fixed and god-given entity. 1987. Sociology: A Brief but Critical Introduction. Stanford, CA: Stanford University Press. Nisbet, Robert A. 1966. The Sociological Tradition. New York: Basic Books. Persell, Caroline Hodges. 1990. Understanding Society: An Introduction to Sociology. Third Edition. New York: Harper & Row. Wikipedia on-line Encyclopedia. 2008. Retrieved March 3. http://en.wikipedia.org/wiki/Main_Page .
