Description:

This major new complete edition of Shakespeare's works combines accessibility with the latest scholarship. Each play and collection of poems is preceded by a substantial introduction that looks at textual and literary-historical issues. The texts themselves have been scrupulously edited and are accompanied by same-page notes and glossaries. Particular attention has been paid to the design of the book to ensure that this first new edition of the twenty-first century is both attractive and approachable.

Complete Works of William Shakespeare is the standard name given to any volume containing all the plays and poems of William Shakespeare. Some editions include several works which were not completely of Shakespeare's authorship (collaborative writings), such as *The Two Noble Kinsmen*, which was a collaboration with John Fletcher; *Pericles, Prince of Tyre*, the first two acts of which were likely written by George Wilkins; or *Edward III*, whose authorship is disputed. Home. The Complete Pelican Shakespeare. Imprint: Viking. Published: 07/11/2002. This major new complete edition of Shakespeare's works combines accessibility with the latest scholarship. Each play and collection of poems is preceded by a substantial introduction that looks at textual and literary-historical issues.
