IELTS Step-by-step | Mastering Vocabulary. Learn 1300+ IELTS words and phrases and how to use them – get that IELTS 7+! Rating: 4.8 out of 5.8. Improve your IELTS grade significantly to a 7+. Learn and practice 1300+ useful words and phrases for the IELTS. Learn how to remember English vocabulary so that you never forget it again. Listen to more than 25 instructional videos relating to common IELTS themes. Learn how to teach yourself new vocabulary using freely available resources. The vocabulary chosen for each chapter was, in part, governed by frequency of use as found in linguistic corpora. Students often are directed to use online corpora to further their word knowledge so that they learn words as they are used in the language, not in isolation. Open-ended discussion questions offer a starting point for learners to apply new vocabulary introduced in the articles. Once students become acquainted with a topic Master English vocabulary with suggestions on ways of building vocabulary skills as well as recommendations of important English vocabulary resources. Learners of English should have lists of difficult word meanings and of phrases (expressions) on every topic with usage sentences. They must read those ready-made vocabulary usage sentences many times if needed. Longman Language Activator Dictionary (unique English Idea Production Dictionary) covers this issue thoroughly. Mastering vocabulary is about much more than SAT scores. Student writing becomes richer and more engaging when they have a large reservoir of words to pull from. Open their minds to the magic of finding just the right word with these fun vocabulary activities. You'll find options for every age, K-12. Even better, all of them work in any kind of classroom, both in-person (even socially-distanced!) and online. 1. Draw vocabulary sketchnotes. Kids and teachers love sketchnotes!
