Lively and entertaining, Mrs. Lincoln will cause readers to rethink the stereotypes about Mary--and perhaps to question some of their beliefs about her husband as well., "As wife and widow of America's greatest president, Mary Lincoln was the focus of cruel controversies in her lifetime and among historians ever since. With sensitivity and empathy, Catherine Clinton brings us the real Mary Lincoln'a tragic yet compelling figure." (James McPherson), We can never get enough of Lincoln, and we can never get enough of his family.Â Mrs. Lincoln, A Life. I chose this book because our book club wanted selected it. I was not interested in it at all at first. Mrs. Lincoln accompanied her mortally wounded husband across the street to the Petersen House, where he was taken to a back bedroom and laid crosswise on the bed there, where Lincoln's Cabinet was summoned, except William Seward, who had been seriously attacked by Lewis Powell, just as Booth was about to carry out his assassination at Ford's Theater, several minutes earlier.Â In an act approved by a low margin on July 14, 1870, the United States Congress granted Mrs. Lincoln a life pension of \$3,000 a year (\$60,655 in 2019 dollars).[49] Mary had lobbied hard for such a pension, writing numerous letters to Congress and urging patrons such as Simon Cameron to petition on her behalf. Mrs. Elizabeth Keckley, Mrs. Mary Lincoln's confidant and dressmaker. Library of Congress. Peter Cozzens. There's a nighttime scene in Steven Spielberg's Lincoln in which the president tells an African-American woman about his uncertainty over what freedom will bring emancipated slaves after the Civil War.Â Elizabeth Hobbs lived a turbulent early life, with both the anguish common to slavery and privileges denied most slaves. Her mother taught her to sew, and somehow, probably with the Burwells' permission, she learned to read and write. Although Lincoln eventually shed many of the qualities of backwoods Indiana, he remained superstitious throughout life. His law partner, William Herndon, to whom Lincoln once confided, "I feel as if I shall meet with some terrible end," said that a Baptist upbringing "made him [Lincoln] a fatalist" and that a streak of superstition ran through him "like a bluish red vein runs through the whitest marble."<sup>11</sup> When a dog bit one of his children, Lincoln took the boy to Terre Haute, Indiana, to be cured by a "mad stone," which would supposedly drain off any poison when applied to the wound.Â They brought with them their foster child, Dennis Hanks, bastard son of Mrs. Lincoln's aunt Nancy. Dennis became a kind of surrogate older brother to his second cousin Abe, a decade his junior. This item:Mrs. Lincoln: A Life by Catherine Clinton Paperback \$13.89. In Stock. "Clinton's careful research and thoughtful presentation result in the best treatment of the troubled life of Mary Lincoln in recent memory. . . . Mary was, and continues to be, controversial, but, as Clinton submits, she remains a figure of great color, worthy of continued interest." (Booklist (starred review)).
