Want to Read. If you picked up this book, most likely you really are one smart cookie. Have fun answering these quizzes, but be sure you don't miss Isaac Asimov's Introduction and the very interesting short articles interspersed throughout the book. And don't take any of this too seriously. These quizzes are not bonafide I.Q. tests, and some of the questions (and answers!) have been around the block so many times that you are bound to have heard them before. That will undoubtedly skew your "test" results! Enjoy If you picked up this book, most likely you really are one smart cookie.

So you think you're smart . . . well, try these quizzes, puzzles, games, and strategies compiled by Mensa, the internationally famous high-IQ society. You need an IQ in the top two percent of the population to join this elite group. Take the sample tests inside to see how you rate alongside such famous Mensans as Buckminster Fuller, Theodore Bikel, and Isaac Asimov. Subjects range from math and logic to culture and trivia.
