

Reconstructing the Family in Contemporary American Fiction (2nd Revised edition)

By Desmond F. McCarthy

Peter Lang Publishing Inc. Paperback. Book Condition: new. BRAND NEW, Reconstructing the Family in Contemporary American Fiction (2nd Revised edition), Desmond F. McCarthy, The prevalence of alternative families in contemporary American fiction is significant given the concern and confusion precipitated by the decline in traditional nuclear families in recent decades. John Irving's *The World According to Garp*, Alice Walker's *The Color Purple* and E. L. Doctorow's *Ragtime* contain compelling utopian depictions of alternative families that are more egalitarian than traditional nuclear families. John Updike's *Rabbit, Run* and *Rabbit Redux* are interesting counterpoints to the optimistic novels of Irving, Walker, and Doctorow. Although Updike depicts the traditional nuclear family as the site of considerable ennui and unhappiness, attempts to flee or reconstruct the family in his novels are staggeringly destructive.

Log in. Books. All. Fiction. Fiction. Drama. Estonian Literature. Fiction. Fiction. Drama. Estonian Literature. Contemporary American Literature. Don DeLillo (© AP Images). Richard Ford (© AP Images). A pervasive regionalist sensibility has gained strength in American literature in the past two decades. Decentralization expresses the postmodern U.S. condition, a trend most evident in fiction writing; no longer does any one viewpoint or code successfully express the nation. No one city defines artistic movements, as New York City once did. Vital arts communities have arisen in many cities, and electronic technology has de-centered literary life. The trilogy suggests that "reality" is but a text constructed via fiction, thus erasing the traditional border between reality and illusion. Auster's trilogy, in effect, self-deconstructs. Contemporary American Fiction book. Read reviews from world's largest community for readers. Contemporary American Fiction provides an introduction to Am...
