This style of imprisonment was a primary competitor with the Pennsylvania system. The reformatory era.

In addition, the editors estimate that \$80 billion is spent annually on jails in this country. As the title indicates, this work's focus is on U.S. correctional systems and practices, although there is a scattering of information on foreign prisons. In an excellent introduction, the editors provide a brief sketch of the historical development of U.S. prisons, succinctly detailing the reasons for the country's rise in incarceration rates, from 96 prisoners per 100,000 citizens in the early 1970s to the current 698 prisoners per 100,000.
