Description:

Professional medium James Van Praagh () offers a guidebook for the living, which charts the course of the soul as it journeys through life, death, and rebirth. Beyond his psychic gifts, Van Praagh has a gift for simplifying complex spiritual ideas and writing about them in a conversational tone. Most appealing for Van Praagh fans are his detailed theories on death and the afterlife. For example, when people die sudden deaths, Van Praagh reports, spirits of the dead often linger over their bodies, unable to comprehend what has happened (but still able to see and hear everything that is being done and said around the corpse). This is why spirits of the already-deceased are so useful in helping the dead transition to the other side.

Speaking of the afterlife, or heaven, Van Praagh writes: In the higher realms everyone is on the same level of spiritual understanding, like a symphony of beings in tune with one another. For some this may mean a reunion with members of their earth family. For others it could be a meeting with former friends and lovers from previous incarnations. Finally, Van Praagh returns to his fascinating stories of channeling the deceased to illustrate how the living can stay on task with their *raison d'être*. If we want to help our souls along on their eternal journeys toward enlightenment, then we must remove the emotional obstacles that are blocking their paths, says Van Praagh, who devotes entire chapters to guilt, fear, forgiveness, and love. --*Gail Hudson* --This text refers to an out of print or unavailable edition of this title.

From Van Praagh begins with some elementary principles familiar to most students of metaphysics. While he relies on these spiritual touchstones and even resorts to aphorisms and basic guidelines for living in attunement with God, Van Praagh seasons his lecture with remarkable accounts of his contact with the souls of the dead. We learn what the afterlife may look like and how one spends time there. A recurring theme is forgiveness by and for the dead, once they contact the living. Van Praagh has been lambasted by some as a charlatan becoming wealthy on people's hopes and fears. But the author seems truly concerned with his listeners' evolution and happiness. Reaching to Heaven: A Spiritual Journey Through Life and Death. James Van Praagh by James Van Praagh eBook Details. Talking to Heaven: A Medium's Message of Life After Death by James Van Praagh Mass Market Paperback \$7.99. In Stock. Ships from and sold by Amazon.com. He is the author of the New York Times bestsellers Reaching To Heaven and Talking To Heaven, which sold close to 600,000 copies in hardcover. Although he was raised a Roman Catholic and even entered a seminary at 14, he soon found that "spirituality" was more compelling than "religion." He graduated from San Francisco State University with a degree in broadcasting and communication, then moved to Los Angeles, where at age 24, he met a medium who told him that within two years, he himself would become clairvoyant. As a member of a spiritual organization with which he has toured, by all reports he is by far the best Medium out there. The book is lovely and comforting and I recommend this book and this author to those who are interested in following a spiritual path Read more. 3 people found this helpful. It is absolutely fascinating. I liked it even better than his first book because it was details that I have never read before. He wrote in such a way that I completely understood what he was saying and why things are the way he explains them. The feeling I had when reading this book was the same as I've experienced when reading CONVERSATIONS WITH GOD - Yes! I've always believed that and never had someone conceptualize it and put it into words! But I also gained a great deal of new knowledge. Reaching to heaven. a spiritual journey through life and death. First published in 1999. Subjects. Spiritualism, Self-actualization (Psychology), Spiritual life. Edit. Reaching to heaven. a spiritual journey through life and death. This edition published in 1999 by Dutton in New York.
