The name "New founde lande" was uttered by King Henry VII about the land explored by the Cabots. In Portuguese it is Terra Nova, which literally means "new land" which is also the French name for the Province's island region (Terre-Neuve). The name "Terra Nova" is in wide use on the island (e.g. Terra Nova National Park).¹³¹ Though similar in its Celtic influence to neighbouring Nova Scotia and Prince Edward Island, Newfoundland and Labrador are more Irish than Scottish, and have more elements imported from English and French music than those provinces. Much of the region's music focuses on the strong seafaring tradition in the area, and includes sea shanties and other sailing songs. See what's new with book lending at the Internet Archive. Frommer's Nova Scotia, New Brunswick, & Prince Edward Island, with Newfoundland & Labrador. Item Preview. Frommer's Nova Scotia, New Brunswick, & Prince Edward Island, with Newfoundland & Labrador. by. Curtis, Wayne. Newfoundland (and sometimes Labrador) is commonly published as an inset map alongside Nova Scotia, Prince Edward Island, and New Brunswick, making it look much smaller than those other provinces. That couldn't be farther from the truth. This is a big place, so significant time is required to travel from anywhere to anywhere else on Newfoundland island. Already big, distances get bigger when a landscape is twisted up and pulled like taffy like this one. Newfoundland just seems bigger, higher, longer, and more time-consuming when you're actually traveling in it than it looks on paper.
