Storytelling with shadow puppets is a great way for children to express themselves. Through the activity, children learn how to use a variety of materials, create their artwork, and interact with their peers.
Story-Telling Activities to do with your Kids. Kids have the most vivid imaginations; I just love hearing the stories my preschoolers come up with and the worlds they create in their pretend play! Here. Reading and storytelling with your child promotes brain development and imagination, teaches your child about language and emotions, and strengthens your relationship. You don't always need to read books. Try looking at picture books, singing rhymes and songs, or telling stories from your culture.
Reading stories with children has benefits for grown-ups too. The special time you spend reading together promotes bonding and helps to build your relationship. You can start reading aloud to your baby as early as you like " the earlier the better.
Knowing when to stop can be just as important as finding the time to share a story in the first place. Pay attention to your child's reaction to the story, and stop if he isn't enjoying it this time.
