By Rick Osborne, Richard Osborne

HarperOne. Paperback / softback. Book Condition: new. BRAND NEW, Talking to Your Children about God, Rick Osborne, Richard Osborne, From the Creator and Coauthor of the Popular "101 Questions Children Ask about".Series--A Practical Guide on How to Build a Strong, Tangible Spiritual Foundation in Your Children's LivesMany of today's parents remember their own childhood experiences with God and religion as abstract and confusing, leaving them with more questions than answers. It is with this in mind that Rick Osborne has created "Talking to Your Children about God", an indispensable guide for parents who want to be prepared for those "hard-to-answer" questions about God. Full of helpful tips and suggestions, this book provides answers that will satisfy the inquisitive and persistent nature of kids when they pose such difficult questions as: Why can't I see God? What's so important about the Bible? Why do we go to church? What should I say when I pray? Does God watch everything I do?What is heaven like?What are angels?-- Josh McDowell, acclaimed Christian author and speaker.

Talking to children about God in the Age of Doubt. He answered: "If the idea is that when children are young you should give them very definite answers that do not reflect your actual experience of life, then you're lying to your children, and one day they're going to realize that you were a hypocrite. And isn't being true as much as possible in life the best kind of education you can give the young?" Rabbi David Wolpe of Los Angeles, the author of "Teaching Your Children About God," agreed. He uses his own youthful bout with atheism to encourage children to embrace their own struggles. "When a child asks a question about God, they are not coming Overcoming Awkwardness. Granted, talking to your children about sex may be one of the most awkward parenting tasks you will face. But it is well worth your effort. "Over time," says a mother named Diane, "the awkwardness fades, and talking to your child about sex can actually become a bonding opportunity." Steven, quoted earlier, agrees. Equipping Parents to Respond to Gender-Confusing Messages in Schools. This how-to guide helps you respond with truth while protecting your child and your family's values. We don't just want our children to know the truth about God's design for male and female " we want our sons and daughters to live out God's truth in wholeness. Secure Daughters, Confident Sons: How Parents Guide Their Children into Unlike conventionally religious parents " whose faiths often come with robust programs to inculcate children with rituals, prayers, and faith " agnostics have no blueprint for an almighty deity to pass on to their children. Complicating the matter is the fact that God as a concept defies the reductivism often necessary to talk to kids about the big stuff. After all, the whole of human history has wrestled with the idea of an all-knowing higher power. How is a parent seriously supposed to explain this kind of stuff in the brief minutes before bedtime? Agnostic parents have to work harder, Dr. J

Another way to talk to your children about God's blessings is to point out situations where God has intervened in your life or the lives of others. He cares very deeply about each one of us, and He does intervene in our lives. One lady related an incident from her childhood. She had gone to bed one evening when a brick came flying through the window and landed on her pillow"right in the indentation where her head had been just moments before! Parents need to show their children how to walk through the steps to build their relationship with God, and walk through those steps with them. We see in Psalm 78:4-7 that we as parents are to make God's law known to our children. It is a kind of heritage that is to be passed from generation to generation. A collection of TED Talks (and more) on the topic of God. For as many people as there are on Earth, there are as many answers to the question: Are you there, God? These talks offer a spectrum of personal perspectives on faith, from ardent atheists to devout believers. Talks about God. 16:11. Anjali Kumar. My failed mission to find God and what I found instead. Posted Jan 2018. 15:55. Children may not be ready to learn a full theology of the imago Dei, but they can understand that every human being is made by God. They might not be able to grasp the concept of all tribes, tongues, and nations, but they can look at pictures of different people and learn to celebrate the differences. I thank God for every politician and activist that made it possible for brown and white children to now play together, swim together, and attend school together. But the Bible gives parents and children a foundation for why equality is important to God and how the gospel affects this discussion and our understanding of race and ethnicity.

2. Talking to God through Journaling A.C.T.S. can also be helpful when journaling to God. Create a space dedicated to having quiet times with God. I, myself, use this method of prayer because, without an intent to stay focused, my mind drifts into my to-do list for the day. When they had gone, an angel of the Lord appeared to Joseph in a dream. "Get up," he said, "take the child and his mother and escape Egypt. Stay there until I tell you, for Herod is going to search for the child to kill him" (Matthew 2:13). God's ways are higher, and His timing is perfect. Dreams are simply night visions. Show your children a little about God's love and concern by pointing out how He gives different animals the tools and abilities they need to survive - animals have fur for warmth, etc. A good colorful book containing pictures of animals would certainly be a valuable tool to teach these things. Camping and hiking trips also provide excellent opportunities for pointing out various aspects of God's creation. You must teach them to your children and talk about them when you are at home or out for a walk; at bedtime and the first thing in the morning" (Deut. 6:6-7, The Living Bible). Children may not be ready to learn a full theology of the imago Dei, but they can understand that every human being is made by God. They might not be able to grasp the concept of all tribes, tongues, and nations, but they can look at pictures of different people and learn to celebrate the differences. I thank God for every politician and activist that made it possible for brown and white children to now play together, swim together, and attend school together. But the Bible gives parents and children a foundation for why equality is important to God and how the gospel affects this discussion and our understanding of race and ethnicity. Talking to children about God is a key component of their sense of self. Children are taught that they are important, but why are they important? Ask your children why they matter. I have asked thousands of children "why are you important." The usual answers are "I get good grades, I am good at sports, I have a nice job/boyfriend/girlfriend, my parents love me." All these answers spell trouble, because they are all based on something human, and everything human can change. Are we always going to be the brightest in the class, or have that boyfriend or feel our parents' love? Tell your children that God loves them. Explain that the world is filled with evidence of God's concern and artistry. If the language seems alien or difficult, find ways to ease into it.
