Coffman, unknown edition "During the three decades after the War for Independence, the American army struggled into existence." Classifications. Library of Congress. UA25 .C62 1986. Dewey. 355/.00973. Edit. The old army. a portrait of the American Army in peacetime, 1784-1898. This edition published in 1986 by Oxford University Press in New York. Edition Notes. By definition, "the Old Army" is the Regular Army establishment that existed before the last war. The Regulars were always a small body, a result of American distrust of a standing army since the very beginning of our national history. The Regulars became the backbone of the greatly expanded military as civilians volunteered or were conscripted during an emergency, and they were those who were left after the emergency was over and the militia or the draftees went home again." Coffman illustrates the evolution of the "peacetime" force (though accurately asserts A veritable encyclopedia of life in the "peacetime" U.S. Army between 1784 and 1898, this work is a product of the earliest era of 'new' military history. "The Old Army" is a successful attempt to explore the men, the officers, the families, the training and the way of life of the peacetime Army from America's inception to the Spanish-American War. Volumes have been written about the Army during various wars and how volunteer forces contributed to the victories. Here, Edward Coffman discusses the the so-called caretaker Army that manned the lonely frontier outposts, and how it progressed to the organized machine it is today. Although it's a natural progression, it's not easy to see it without the strength of Coffman's One of the most important works of military history published in the last decade, The Old Army is the only comprehensive study of the people who made up the garrison world in the peacetime intervals between the War for Independence and the Spanish-American War. Drawing on diaries, letters, and other primary documents, Edward M. Dear Customer, As a global organization, we, like many others, recognize the significant threat posed by the coronavirus.
