Description:

The Daring Book for Girls is the manual for everything that girls need to know—and that doesn't mean sewing buttonholes! Whether it's female heroes in history, secret note-passing skills, science projects, friendship bracelets, double dutch, cats cradle, the perfect cartwheel or the eternal mystery of what boys are thinking, this book has it all. But it's not just a guide to giggling at sleepovers—although that's included, of course! Whether readers consider themselves tomboys, girly-girls, or a little bit of both, this book is every girl's invitation to adventure.

Buchanan and Miriam Peskowitz. Ratings. INTRODUCTION. WE WERE GIRLS in the days before the Web, cell phones, or even voicemail. Telephones had cords and were dialed by, well, actually dialing. We listened to records and cassette tapes "we were practically grown-ups before CDs came to pass" and more often than not, we did daring things like walk to school by ourselves. Ride our banana-seat bikes to the local store. Babysit when we were still young enough to be babysat ourselves.

True to its name, *The Daring Book for Girls* itself does a daring thing: it tries to explain the mysterious, gross and yet fascinating beings called boys! But you have to read the book yourself to find out what. (To my daughter Maddy, who might be reading this in a few years' time: ignore boys until you're twenty five, please.) On a personal note, this is a book I truly looked forward to reviewing. I've heard good things about it. Andi and Miriam were interviewed on the Today Show and there are tons of great reviews in the blogosphere. The book is already a bestseller (it's *Daring Book for Girls* Badges. ILLUSTRATION CREDITS. Acknowledgments. Girls originally shot hoops wearing Victorian petticoats, white muslin pinafores, and silk slippers. The dress code has thankfully changed, and basketball today is one of the few team sports that a girl can not only learn in elementary school but also dream of playing professionally. Basketball opened up to girls' real uniforms and all in the 1970s. The United States passed a law known popularly as "Title IX" (the full name is Title IX of the Education Amendment of 1972), which said that no one, girls or boys, can be excluded from participating in school activities if that school receives federal funds. Report copyright / DMCA form.Â Illustrations by Alexis Seabrook To the most daring girl I know: my grandmother Margaret Mullinixâ€”A.B. To my daughter The Daring Book for Girls. The book sticks to much to the stereotypes for girls and talks down slightly to the reader. I think this book is more appropriate for girls in first to third grade. Past that, don't waste your time. ...more. flag 8 likes Â· Like Â· see review.Â What I think would have been truly daring would be to publish a book that revived the almost-forgotten activities that girls used to both find joy in and affirm their girlhood through (in the same vein as the building of forts, go-carts, and treehouses for boys). That would be more welcome than a pink book that seems to attempt to recast the world as an enormous Lake Wobegone (the home of Garrison Keelor), where the men are men, and the women are too. :(...more. I don't know what I like better -- The Daring Book for Girls or the fact that it's written by two women I greatly admire, Andrea Buchanan and Miriam Peskowitz. Written as a sequel, of sorts, to last year's The Dangerous Book for Boys, The Daring Book for Girls is a compendium of activities and information to help today's girls rediscover that there are ways to have fun besides shopping at the mall, watching Hannah Montana or IM'ing their friends. As the mother of a seven-year-old daughter, I was thrilled when I learned that the founders of MotherTalk would be writing t The Double-Daring Book for Girls is an even more daring guide to everything from making a raft to learning how to play football to the art of the Japanese Tea ceremony. This second volume, with all new original material, promises to be even more of a daring adventure than the first. Girls will learn how to surf, get horseback riding tips, make a labyrinth, find out about April Fool's Day history and pranks, how to organize a croquet tournament, find out about cowgirls, the Nobel Prize, being a detective and much more! The Double-Daring Book for Girls. By: Andrea J. Buchanan, and others.Â Here's the perfect book for every boy from eight to 80. Recapture Sunday afternoons and long summer days. This is a wonderful collection of all things that make being young, or young at heart, fun.
