Description:

Through Women's Eyes: An American History with Documents was the first text to present a narrative of U.S. women's history within the context of the central developments of the United States and to combine this core narrative with written and visual primary sources in each chapter. The authors' commitment to highlighting the best and most current scholarship, along with their focus on women from a broad range of ethnicities, classes, religions, and regions, has helped students really understand U.S. history.

If you are interested in women's history in America, you will find many inspiring contributions of American women from all ethnicities and social statuses. I enjoy learning about the women who are motivated to make a difference, but I also have a vested interest as an aspiring historical fiction writer. History textbooks can be so dense and difficult to get through, which is a shame considering what an interesting subject history is. This book was used for a class I took in women's history and the chapter readings were something I found myself looking forward to. The topics covered and the way they're presented is clear and intelligent instead of stuffy and dense. The material is delivered in a way that it is entertaining and accessible. Through Women's Eyes: An American History was the first textbook in U.S. women's history to bring together an inclusive narrative within the context of the central developments of U.S. history and to integrate written and visual primary sources into each chapter. The result, according to authors Ellen Carol DuBois and Lynn Dumenil, was to "reveal the relationship between secondary and original sources, to show history as a dynamic process of investigation and interpretation rather than a set body of facts and figures."
