The War Against Putin: What the Government-Media Complex Isn't Telling You about Russia

By Marcus S King, M S King

Createspace, United States, 2014. Paperback. Book Condition: New. 272 x 212 mm. Language: English . Brand New Book ***** Print on Demand *****.In the West, politicians and journalists of all stripes have referred to Russian President Vladimir Putin as a thug, a tyrant, a murderer, a Communist, a Nazi, the next Hitler and more. But amongst the Russian people, his popularity rating has reached levels as high as 85 . There is even a very popular hit disco song about him - A Man Like Putin . So, who's right? Why such hatred for Vladimir Putin? Is it justified? Or has Putin been targeted merely for standing up the US-EU Axis of Internationalism? In clear, simple, powerful and concise language - supported by more than 100 illustrations - The War Against Putin takes readers on an exciting crash course journey from Russia's Medieval founding, through the days of the Czars, through the Communist Revolution and bloody Civil War, through Stalin World War II, through the Cold War, through the Soviet collapse, through the Yeltsin disaster, and finally the Putin-led rebirth of the Russian nation. It is one of the greatest stories never told, and will shed badly needed...

M. S. King THE WAR AGAINST PUTIN What the Government-Media Complex Isn't Telling You About Russia. INTRODUCTION. As the astute reader has probably already deduced from the title "The War Against Putin: What the Government-Media Complex Isn't Telling You About Russia" this work intends to set forth a body of evidence which will strongly support the Russian majority's perception. Though the style may seem much more breezy and conversational than the conventional academic sedatives which normally deal with such matters; be assured that the scholarship displayed throughout is as unerring as it is meticulously sourced. This is no opinion piece. The War Against Putin: What the Government-Media Complex Isn't Telling You About Russia Paperback "12 September 2017. by M S King (Author). 4.2 out of 5 stars 129 ratings." Even so, the State Department recently accused Russia of using thousands of social media accounts to spread coronavirus misinformation "including a conspiracy theory that the United States engineered the deadly pandemic. The Kremlin's audience for open disinformation is surprisingly large. The YouTube videos of RT, Russia's global television network, average one million views per day, the highest among news outlets," according to a U.S. intelligence report.
