The Leadership Genius of Jesus: Ancient Wisdom for Modern Business. By William Beausay. Ratings A voyage through the business section of your local bookstore can be daunting. You could drown in the sea of books on management and leadership. At the very least the conflicting waves of instruction and advice from one book to the next will toss you back and forth, leaving you confused and disoriented. Which business guru can steer you to the shores of your promised land? Which leadership trend is in, and which ones are out? If an approach works with one person, does that mean it will work with another? All this, and more, is based The Management Methods of Jesus is loaded with insights on real-life situations managers and business people face every day. This comprehensive book deals with topics such as planning and preparation, recruitment and hiring, communications, conflict resolution, public relations and business ethics, employee satisfaction and family friendliness. All this, and more, is based on principles of management practiced by the greatest manager the world has ever known. ...more This is a quick read with some great nuggets of wisdom. The book highlights and applies the teachings of Jesus to modern business practices. What can project managers learn about project management from Jesus of Nazareth? In the four Gospels describing the life and work of Jesus, one sees that his life was to spark a widespread interest in a goal that aimed at both personal and social transformation. The paper takes a critical look at these sources, identifies relevant themes and shows how project leaders might enhance their practice by using the teachings and management practices of Jesus. Community Engagement S4 Project Management Governance, Benchmarking and Business Process Optimization S5 Legal issues, Contract Management & PPPs. S6 Client & Stakeholder Identification of Needs, Risk Reduction & Management of Expectations S7 Time & Schedule Management of Projects.
